

PROJECT MANAGEMENT PROFESSIONAL DAY 2021

FEBRUARY
11TH

FROM 2PM
TO 6PM

COMPANY PROPOSAL

Your company is considering Project Management as an important asset.
You are looking for young professional talents already trained in Project Management.
You are ready to share your Project Management experience with students.

THIS VIRTUAL/DIGITAL CONFERENCE IS FOR YOU !

This is the outcome of a pedagogical project sponsored by PMI France.

WHAT IS PMI ?

The Project Management Institute (PMI) is the world's leading association in credentialing project management professionals and advancing best practices in the field of project management. Based near Philadelphia, the PMI has a global footprint in more than 200 countries and serves over 2.9 million professionals around the world.

The PMI delivers certifications for project management professionals. Much more than a certification body, the association also gathers a large community of professionals, students around career trainings, educational resources and research programs to advance scientific and best practices of project management.

WHAT IS THE PROJECT MANAGEMENT PROFESSIONAL DAY CONFERENCE 2021?

This year will be the third edition of the project management professional day (PMPD 2021), a conference organized by the PMI France in cooperation with SKEMA Business School, IAE Grenoble and Côte d'Azur University.

The objectives of the PMPD 2021 are :

Share the importance and values of Project Management

Facilitate access to Project Management professional network

Get students and professionals involved in the PMI's activities and network in France

Through this conference, the PMI France is hoping to provide an interactive and meaningful event to connect students and professionals through various activities such as workshops, speed recruiting sessions and a presentation featuring a special guest speaker.

WORKSHOPS

- Content: propose a challenge, an interactive activity or a presentation for students by engaging and sharing with them how project management is involved in your company's operations, goals, daily tasks and challenges.
- Format: around 20 students per workshop
- Timing: 30 mins per workshop

JOB FAIR

- Format: each company will have a distinct virtual environment to present themselves and disclose career opportunities to students
- Timing: the job fair will be held in parallel to workshops

EVENT FORMAT

Due to the current sanitary situation, in order to preserve everyone's safety, this year's PMPD conference will be held fully online connecting students and professionals from all over France.

It is our mission to provide you with a virtual event that is dynamic, easy to navigate and interactive, that is why we've chosen the french innovative platform Seekube. The platform is dedicated to job dating for companies and students. Unlike the traditional videoconferencing, Seekube offers a new online meeting format that features a user-friendly design and interactive functionalities such as virtual forums, virtual live rooms, 1-on-1 meetings and the possibility to view students' CVs before and after the event.

To date, Seekube has held more than 150 events for schools (Ecole Polytechnique, SciencesPo, Skema...) and has been approved by more than 100 companies such as Accenture, Ubisoft, Sanofi, Hermès, Société Générale...
